- **Int league pitching substitution**
 - a. **Once pitcher enters a game she will pitch her total innings without coming in and out.**
 - b. **A pitcher that comes in the 1st and is pitching 3 innings must pitch 1,2 &3**

Pitching distance was discussed, but recent league info will force a new vote on Feb 24th.

-DGS Pictures – April 26th @ Endicott Park, looking to move this date up until after season starts. Need to look into teams that never received their pictures from last year and paid.
